COREMEDIA

TAKE YOUR HCL COMMERCE PLATFORM TO THE NEXT LEVEL.

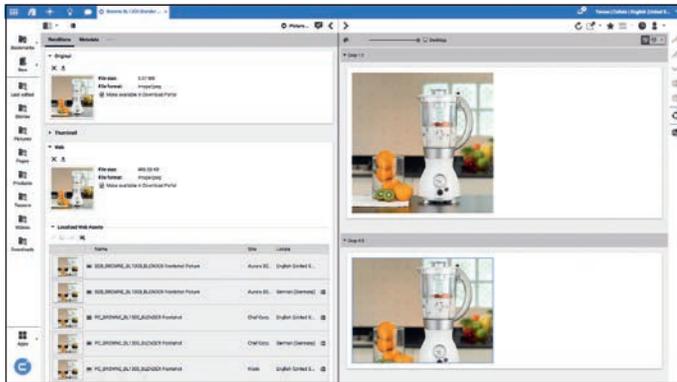

HCL Technologies have completed the acquisition of IBM WebSphere Commerce and rebranded the product to HCL Commerce.

CoreMedia Content Cloud supports existing and new customers by providing the 'missing piece' for HCL Commerce. Build next-generation storefronts and content-rich, shoppable brand sites. Blend real-time product information with media-rich marketing content to deliver consistent product messages everywhere. As a result, CoreMedia Content Cloud is the go-to platform for the world's most iconic global brands.

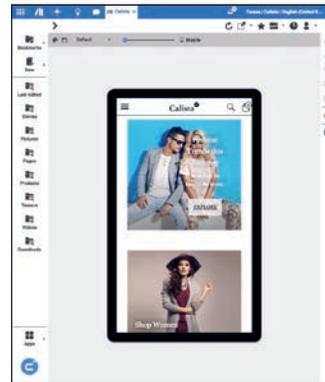

Content Cloud is an open, best-of-breed, API-driven solution featuring the industry's deepest out-of-the-box integration with HCL Commerce. With the headless content repository, you can store and utilize enterprise assets with greater agility. Built-in experience orchestration facilitates the creation and real-time preview of complex front-end customer experiences across different systems. Omnichannel content delivery options give you the ability to dynamically publish across multiple touchpoints instantly. You can also integrate with your Marketing Automation Platform to reuse assets in customer newsletters and omnichannel campaigns.

You want to tell your brand story in ways that excite, inform, and inspire? Do it immediately and cost-effectively, without waiting for IT or disrupting your existing processes. With CoreMedia Content Cloud you can.

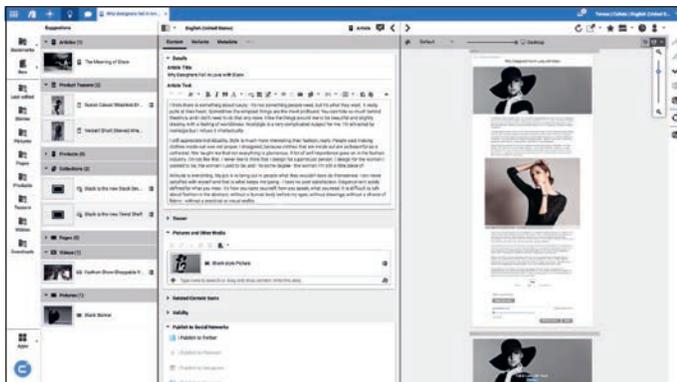

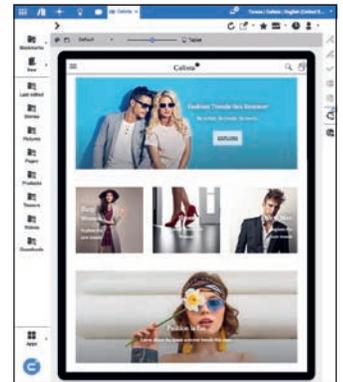

Go ahead: Be courageous, be bold, be the next big thing. **Be iconic.**

SEVEN ADVANTAGES OF COREMEDIA CONTENT CLOUD

- [01] Integrate Deeper with HCL Commerce**
Looking for a better way to manage multimedia content across your eCommerce properties? With CoreMedia Content Cloud, you can seamlessly blend content with product information via our out-of-the-box integration with HCL Commerce. Protect yourself from disruptive architectural changes and reduce upgrade costs.
- [02] Design Front-End Experiences Easily**
Struggling to maintain a mobile site or feed content to different apps? In CoreMedia Studio you can design new experiences and preview them from the customer's point of view – personalized, across different channels and devices, directly from your desktop.
- [03] Publish & Update Faster**
Need to update sites running HCL Commerce more often? CoreMedia Content Cloud provides pre-built modules that allow you to change layouts instantly with just a click. React to market changes immediately and update campaigns in seconds. The only limit is your creativity.

- [04] Choose your Integration Approach**
CoreMedia Content Cloud can connect to HCL Commerce in a variety of ways: as a commerce-led integration, a hybrid model, or a content-led headless approach. Pick the path that works best for your business.
- [05] Centralize & Organize Assets**
Tired of wasting time looking for the latest version of a file across all your silos? Content Cloud helps you to manage and easily find all your assets in a single, convenient central repository and reuse them on any channel and for any device via our headless APIs.
- [06] Go Global**
Does the thought of running hundreds of campaigns in various languages and for different brands sound overwhelming? Content Cloud has sophisticated publishing tools that make multi-region, multi-language, multi-site, and multi-brand management a snap.
- [07] Build Iconic Brand Sites**
What's the secret to being a successful global brand? It's all about creating a great online experience. But great experiences require you to access content from multiple data sources, including HCL Commerce. CoreMedia Content Cloud can do that and more.
